Dear Sirs

Proposed Rear Extension to School Farm, Main Road, Aislaby, Whitby
Planning & Listed Building Applications NYM/2017/0338/FL

We refer to the above planning and listed building application by Mr & Mrs Wilson, who are in ill health.

We would like to support their application. The stone extension is at the back of the house and cannot be seen from the road. It completely matches the stone farm house and has no impact on any neighbouring properties.

The application has our full support.

Yours faithfully,

Raymond and Celia Hare
