Dear Sirs

Proposed Rear Extension to School Farm, Aislaby
Planning and Listed Building Applications ref NYM2017/0338/FL and NYM/2017/0365/LB

It may seem strange for someone living in Whitby to make comments about buildings in Aislaby. My reasons – I have friends and close family living in the village and do spend time there, and take an interest in the look of the place.

Efforts have been made to use materials to good effect to match the old farmhouse and the extension sits very well at the back of the building, which is set back from the road, no neighbours in view. It is quite private and does not obtrude on the conservation area. The whole is pleasing to the eye – I wish to express my support for the application.

Yours faithfully
