Subject: Building Applications ref NYM/2017/ 0338/FL anc

Dear Planning Team,

**Proposed Rear Extension to School Farm, Main Road, Aislaby Whitby .
Planning and Listed Building Applications ref NYM/2017/ 0338/FL and NYM/2017/ 0365 /LB**

I am writing to support the above planning and listed building applications submitted for Mr. David and Mrs. Margaret Wilson .

The rear extension matches the style and materials of the existing farmhouse and fits well into the character of this part of the village .

Being at the rear of the farmhouse and set back from the road it is unseen and does not have any affect upon neighbours privacy or the appearance of the conservation area.

It does not overlook anyone other than the applicants existing buildings.

For these reasons I fully support the application especially given the poor health of the applicants.

Yours sincerely,

Deborah Harrison
