Subject: RE: NYM/2017/0341/CVC Burgate Farm, Harwood Dale,

Thanks, Sara.

Helen; I'm happy to concur with Sara's assessment. Please can the method statement on p15 of the report regarding nesting birds be passed on to the applicant's attention, to avoid illegal disturbance. Also, I would recommend that provision for any affected bird species to continue to nest there is provided. I expect that the consultant will be able to suggest suitable means to do so.

Thanks, Rona
