Dear Sirs

Proposed Rear Extension to School Farm, Main Road, Aislaby, Whitby Planning and Listed Building Applications.  
Ref NYM/2017/0338/FL and NYM/2017/0365/LB

We write with reference to the above planning application submitted by Mr David Wilson and wish to give our support to the plan.

The general development of School Farm has greatly enhanced this area of the village and the attached rear extension does not detract from this in any way. The extension exactly matches the farmhouse and is at the rear of the property. It cannot be seen from the main road and therefore does not impact on the conservation area. It does not overlook anyone and therefore does not affect the privacy or outlook of any neighbouring properties.

We support this application for the reasons stated whilst also giving due consideration for the failing health of the applicant.

Yours faithfully

George and Eileen Henderson
