Dear Sir / madam

Proposed rear extension to School House Farm, Aislaby

Reference : NYM/2017/0338/FL and NYM/2017/0365/LB

I write in connection with the above planning application and wish to offer my support to the proposal. The recent refurbishment has greatly improved the appearance of the Farm House and the extension to the rear of the property is very much in keeping with the character of the property.

Yours Faithfully

G Harrison
