Proposed rear extension to School Farm, Main Road, Aislaby, Whitby (as above)

We are writing with regards to the above Planning Applications.

We live in Aislaby and often walk past School Farm and didn't even realise there was an extension being built as it cannot be seen from the road. As it is at the rear of the farm house and set back from the road it doesn't impinge on any neighbours in that area. The extension matches the style and the materials used are in keeping with the existing farmhouse.

We therefore would like to support this application.

Bev and Andy Varney
Hedgehog Barn, Main Road, Aislaby
