COPY

The above named Authority being the Planning Authority for the purposes of your application validated 08 June 2017, in respect of proposed development for the purposes of **outline application for construction of 1 no. agricultural workers dwelling with associated access, garage, parking and garden area at Low Pasture Villa Farm, Pasture Road, Lockton**, has considered your said application and has **granted** permission for the proposed development subject to the following conditions:

1. The development hereby permitted shall be commenced on or before whichever is the earlier of the following dates:
 - i) three years from the date of this permission;
 - ii) the expiration of two years from the final approval of the reserved matters or in the case of approval on different dates, the final approval of the last such matter to be approved.
2. The occupation of the dwelling shall be limited to a person solely or mainly employed, or last employed, in the locality in agriculture as defined in Section 336 of the Town and Country Planning Act 1990 (or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order), or in forestry, or a dependant of such a person residing with him or her, or a widow or widower of such a person.
3. The occupation of the existing dwelling known as Low Pasture Villa Farmhouse shall from the date of the commencement of the development hereby permitted be limited to a person solely or mainly employed, or last employed, in the locality in agriculture as defined in Section 336 of the Town and Country Planning Act 1990 (or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order), or in forestry, or a dependant of such a person residing with him or her, or a widow or widower of such a person.
4. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order), no development within Schedule 2, Part 1, Classes A to H Schedule 2, Part 2, Classes A to C and within Schedule 2 Part 14 Classes A to I of that Order shall take place without a further grant of planning permission being obtained from the Local Planning Authority.
5. No external lighting shall be installed in the development hereby permitted until details of lighting have been submitted to and approved in writing by the Local Planning Authority. The lighting shall be installed in accordance with the details so approved and shall be maintained in that condition in perpetuity.

6. No work shall commence on the construction of the walls and roof of the development hereby permitted until details of the stone and tiles, including samples if so required by the Local Planning Authority, to be used for the external surfaces of the development (including dressings) have been submitted to and approved in writing by the Local Planning Authority. The materials used shall accord with the approved details and shall be maintained in that condition in perpetuity unless otherwise agreed with the Local Planning Authority.
7. No work shall commence on the excavation works for the development hereby permitted until a one metre square freestanding panel of stonework showing the type of stone and stonework to be used in the construction of the development hereby permitted has been constructed on site and approved in writing by the Local Planning Authority. All new stonework shall match that of the approved panel both in terms of the stone used and the coursing, jointing and mortar mix and finish exhibited in the panel unless otherwise agreed in writing by the Local Planning Authority. The stone panel constructed shall be retained on the development site until the development hereby approved has been completed.
8. All pointing in the development hereby permitted shall accord with the following specification - a lime mortar mix of 1:2½(lime; sand (sand mix of 50% sieved sharp sand and 50% builders sand)) with a slightly recessed bagged finish.
9. No work shall commence to stain/paint the windows in the development hereby approved until details of the paint colour/finish of the windows has been submitted to and approved in writing by the Local Planning Authority. The work shall not be carried out otherwise than in accordance with the approved details, completed within six months of the date of installation and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
10. The guttering to the development hereby permitted shall be directly fixed to the stonework by means of gutter spikes with no fascia boarding being utilised in the development and shall thereafter be so maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
11. The rainwater goods utilised in the development hereby permitted shall be coloured black and shall thereafter be so maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
12. No work shall commence on excavation works to install drainage to serve the development hereby permitted until full details of the proposed means of disposal of foul and surface water drainage have been submitted to and approved in writing by the Local Planning Authority. The development shall not be brought into use until the drainage works have been completed in accordance with the approved details.

13. Unless otherwise approved in writing by the Local Planning Authority, there shall be no excavation or other groundworks, except for investigative works, or the depositing of material on the site in connection with the construction of the access road or building(s) or other works hereby permitted until full details of the following have been submitted to and approved in writing by the Local Planning Authority in consultation with the Highway Authority:
 - i) vehicular and cycle parking;
 - ii) vehicular turning arrangements.
14. No part of the development shall be brought into use until the approved vehicle access, parking, manoeuvring and turning areas approved under condition number:
 - i) are available for use unless otherwise approved in writing by the Local Planning Authority.Once created these areas shall be maintained clear of any obstruction and retained for their intended purpose at all times.
15. Prior to the development being brought into use details of a landscaping scheme for the site shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall include details of any existing hedges and trees to be retained on the site together with any measures for managing/reinforcing these and shall specify plant species, sizes and planting densities for any new areas of planting. The approved details shall be carried out no later than the first planting season following the occupation of the buildings, or completion of the development, whichever is the sooner, or in accordance with a programme agreed by the Local Planning Authority. The approved landscaping scheme shall be maintained in perpetuity unless otherwise agreed in writing by the Local Planning Authority.
16. All hard and soft landscape works comprised in the approved details of landscaping shall be carried out no later than the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner, or in accordance with a programme agreed by the Local Planning Authority. Any trees or plants planted in accordance with this condition which, within a period of five years from the completion of the development, die, are removed or become seriously damaged or diseased shall be replaced in the current or next planting season with others of similar size and species unless the Local Planning Authority gives written consent to any variation.

Informative

1. In relation to condition 12 the proposals shall cater for all types of vehicles that will use the site. The parking standards are set out in the North Yorkshire County Council publication 'Transport Issues and Development - A Guide' available at www.northyorks.gov.uk

Reasons for Conditions

1. To ensure compliance with Sections 91 to 94 of the Town and Country Planning Act 1990 as amended.

2. The site of the proposed dwelling is in an area where NYM Core Policies B and J and Planning Policy Statement 7 seek to restrict new residential development to that which is essential to the needs of local agriculture.
3. The site of the proposed dwelling is in an area where NYM Core Policy J and Planning Policy Statement 7, Annex A, seek to restrict all the dwellings on a farm to that which is essential to the needs of local agriculture to comply with the provisions of NYM Core Policy A.
4. In order to enable the Local Planning Authority to retain control over future alterations to the property in the interests of safeguarding the existing form and character of the building in line with NYM Development Policy 3 and NYM Core Policy A, which seek to enhance and conserve the special qualities of the NYM National Park and secure high quality design for new development.
5. In order to comply with the provisions of NYM Core Policy A which seeks to ensure that new development does not detract from the quality of life of local residents.
- 6 – 8. For the avoidance of doubt and in order to comply with the provisions of NYM Core Policy A and NYM Development Policy 3 which seek to ensure that building materials are of a high quality and compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
- 9- 11. For the avoidance of doubt and in order to comply with the provisions of NYM Core Policy A and NYM Development Policy 3 which seek to ensure that the appearance of the development is compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
12. To avoid pollution of watercourses and to comply with the provisions of NYM Development Policy 1, which seeks to ensure that new development has satisfactory provision for the disposal of foul and surface water.
13. In accordance with NYM Development Policy 23 and to ensure appropriate on-site facilities in the interests of highway safety and the general amenity of the development.
14. In accordance with NYM Development Policy 23 and to provide for appropriate on-site vehicle facilities in the interests of highway safety and the general amenity of the development.
- 15 & 16. In order to comply with the provisions of NYM Development Policy 3 which seeks to ensure that new development incorporates a landscaping scheme which is appropriate to the character of the locality and retains important existing features.

Explanation of how the Authority has Worked Positively with the Applicant/Agent

The Authority's Officers have appraised the scheme against the Development Plan and other material considerations and confirmed to the applicant/agent that the development is likely to maintain the economic, social and environmental conditions of the area.
