The above named Authority being the Planning Authority for the purposes of your application validated 10 July 2017, in respect of proposed development for the purposes of **construction of a single storey extension at Raven Hill, Prospect Field, Robin Hoods Bay** has considered your said application and has **granted** permission for the proposed development subject to the following conditions:

1. The development hereby permitted shall be commenced before the expiration of three years from the date of this permission.
2. The development hereby approved shall be only carried out in strict accordance with the detailed specifications and plans comprised in the application hereby approved or in accordance with any minor variation thereof that may be approved by the Local Planning Authority.
3. The finish of the walls to be rendered shall match the existing render in colour and texture and thereafter be so maintained unless otherwise agreed in writing by the Local Planning Authority. Such rendering and colouring is to be completed no later than one month after the development hereby permitted being first brought into use.
4. All new windows in the development hereby permitted shall match those of the existing building in terms of appearance, materials, section, dimensions, glazing bar pattern, method of opening, external finish, reveals cills and lintels and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
5. The rainwater goods utilised in the development hereby permitted shall be coloured black and shall thereafter be so maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.

Informative

1. All bats and their roosts are fully protected under the Wildlife and Countryside Act 1981 (as amended by the Countryside and Rights of Way Act 2000) and are further protected under Regulation 39(1) of the Conservation (Natural Habitats etc.) Regulations 1994. Should any bats or evidence of bats be found prior to or during development, work must stop immediately and Natural England contacted on 0300 060 3900 for further advice. This is a legal requirement under the Wildlife and Countryside Act 1981 (as amended) and applies to whoever carries out the work. All contractors on site should be made aware of this requirement and given information to contact Natural England or the Bat Conservation Trust national helpline on 0845 1300 228.
