Dear Mr Smith

**NORTH YORK MOORS NATIONAL PARK AUTHORITY: NORTH YORKSHIRE POLYHALITE PROJECT:
APPLICATION TO DISCHARGE PLANNING CONDITION 14 & 15 OF NYM/2014/0676/MEIA**

In accordance with the requirements of planning condition 14 & 15 of NYM/2014/0676/MEIA, Sirius Minerals is now pleased to enclose a copy of its Subsidence Monitoring Strategy for the North Yorkshire Polyhalite Project.

This document sets out the Company's proposed approach to measuring subsidence related to the construction and operation of Woodsmith Mine and its associated Mineral Transport System (MTS). It also sets out how the data will be used to ensure that conditions 12, 13, 16 & 17 can be satisfied in the future, as and when the need arises.

The application was submitted via the planning portal (reference PP 06264921) and comprises the following documentation:

- Completed application form;
- This Cover Letter (ref 40-SMP-AUT-LE-0066, dated 27 July 2017)
- Subsidence Monitoring Strategy (40-SMP-GE-01-PA-PH-0001 Rev0, dated 19/06/2017);
- Requisite planning application fee of £97, which has been paid online by credit card.

We trust that the enclosed document provides you with sufficient information to be able to discharge conditions 14 & 15. However, should you require any further information on this matter, please do not hesitate to contact either Aisling Kelly or Robert Staniland directly.

Yours Sincerely

Simon Carter
Chief Development Officer
