Dear Mr Buckle

Verification Check of Condition 4 of Planning Approval NYM/2017/0284/FL at The Old Rectory, Sneaton

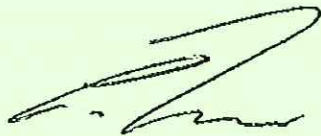

I refer to the above application and the information submitted to the National Park Authority on 20 September 2017, requesting clearance of conditions attached to planning permission NYM/2017/0284/FL.

I can confirm that the details submitted on 20 September 2017 showing dark grey powder coated and flush fitting aluminium door/window frames are considered to be acceptable in addressing and discharging Condition 4.

I can therefore now confirm that all the conditions requiring further details to be submitted, relating to this application have been satisfactorily addressed and the development can now take place in accordance with all the details submitted and specific requirements of NYM/2017/0284/FL

I hope that the above advice is of assistance, but if you require any further advice then please do not hesitate to contact the area planning officer again at the above address.

Yours faithfully

Mr C M France
Director of Planning
