Dear Sir,

Your Ref.: 10. South End Osnotherley.
NYM/2017/0717/FL and NYM/2017/0722/LB.

My objections to these planning proposals
are as follows:-

- ① The loss of a significant range of vernacular buildings (the coachhouse and stable) integral to South End.
- ② A change to the structural appearance of the coachhouse and stable, with the loss of the key loft doors and changes to the roof lights.
- ③ The apparent loss of independent access to the rear of No. 10 South End.
- ④ The loss of access to the joiners shop/garage of No. 8 South End.
- ⑤ The loss of green space (parking provision) to the front left of No. 10 South End.

Yours sincerely
