Note to the Planning Officer:

In assessing the submitted proposals and reaching its recommendation the Local Highway Authority has taken into account the following matters:

The access to the proposed caravan location from the public highway is via an existing gated access. On the understanding that the caravan will only be used by the residents of the School House Farm, the Local Highway Authority would not expect any significant increase in the use of this access.

Consequently there are **no local highway authority objections** to the proposed development.
