

Town and Country Planning Act 1990
North York Moors National Park Authority

Notice of Decision of Planning Authority on Application for
Permission to Carry out Development

To: Mr Andrew Fiddler
Peony Bank Farm
Aislaby
Whitby
YO21 1SX

COPY

The above named Authority being the Planning Authority for the purposes of your application validated 16 January 2017, in respect of proposed development for the purposes of variation of condition 2 (material amendment) of planning approval NYM/2015/0675/FL to allow the roofing material of the orangery extension to be partially tiled with sections of glazing at Victoria Hotel, Station Road, Robin Hoods Bay has considered your said application and has granted permission for the proposed development subject to the following condition(s):

1. The development hereby permitted shall be commenced before the 15 January 2019.
2. The development hereby permitted shall not be carried out other than in strict accordance with the following documents:

Document Description	Document No.	Date Received
Location Plan	N/A	16 January 2017
Proposed Plan & Elevation	N/A	16 January 2017

 or in accordance with any minor variation thereof that may be approved in writing by the Local Planning Authority.
3. No work shall commence on the construction of the walls of the development hereby permitted until details of the stone, including samples if so required by the Local Planning Authority, to be used for the external surfaces of the development including for walling and dressings have been submitted to and approved in writing by the Local Planning Authority. The stone used shall accord with the approved details and shall be maintained in that condition in perpetuity unless otherwise agreed with the Local Planning Authority.
4. No work shall commence on the construction of the walls of the development hereby permitted until details of the brick, including samples if so required by the Local Planning Authority, to be used for the external surfaces of the development have been submitted to and approved in writing by the Local Planning Authority. The brick used shall accord with the approved details and shall be maintained in that condition in perpetuity unless otherwise agreed with the Local Planning Authority.
5. No work shall commence on the construction of the roof of the development hereby permitted until details of the roof tile, including samples if so required by the Local Planning Authority, to be used in the development have been submitted to and approved in writing by the Local Planning Authority. The roof tile used shall accord with the approved details and shall be maintained in that condition in perpetuity unless otherwise agreed with the Local Planning Authority.

Conditions (Continued)

6. No work shall commence on the installation of any door in the development hereby approved until detailed plans showing the constructional details and external appearance of all external doors and frames (and glazing if included) have been submitted to and approved in writing by the Local Planning Authority. All doors shall be installed in accordance with the details so approved and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
7. No work shall commence on the installation of any replacement or new windows (and glazing if included) in the development hereby approved until detailed plans showing the constructional details of all window frames to be used in the development have been submitted to and approved in writing by the Local Planning Authority. Such plans should indicate, on a scale of not less than 1:20, the longitudinal and cross sectional detailing including means of opening. The window frames shall be installed in accordance with the approved details and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
8. All new window frames, glazing bars and external door frames shall be of timber construction, painted to match the existing within six months of the date of installation and shall be maintained in that condition in perpetuity, unless otherwise agreed in writing with the Local Planning Authority.
9. No work shall commence on excavation works to install drainage to serve the development hereby permitted until full details of the proposed means of surface water drainage have been submitted to and approved in writing by the Local Planning Authority. The development shall not be brought into use until the drainage works have been completed in accordance with the approved details.

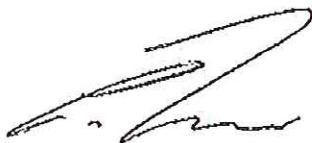

Informative(s)

The applicant is advised that prior to the commencement of any works required to implement the permission hereby granted, an application for Building Regulations Approval will need to be submitted to and approved by the North Yorkshire Building Control Partnership (or independent equivalent). The North Yorkshire Building Control Partnership can be contacted on 01347 822703 or by e-mail at enquiries@nybcp.org

Reason(s) for Condition(s)

1. To ensure compliance with Sections 91 to 94 of the Town and Country Planning Act 1990 as amended.
2. For the avoidance of doubt and to ensure that the details of the development comply with the provisions of NYM Core Policy A and NYM Development Policy 3, which seek to conserve and enhance the special qualities of the NYM National Park.

Reasons for Conditions (Continued)

- 3 to 5. For the avoidance of doubt and in order to comply with the provisions of NYM Core Policy A and NYM Development Policy 3 which seek to ensure that building materials are of a high quality and compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
- 6 to 8. For the avoidance of doubt and in order to comply with the provisions of NYM Core Policy A and NYM Development Policy 3 which seek to ensure that the appearance of the development is compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
- 9. To avoid pollution of watercourses and to comply with the provisions of NYM Development Policy 1, which seeks to ensure that new development has satisfactory provision for the disposal of foul and surface water.

Explanation of how the Authority has Worked Positively with the Applicant/Agent

The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
