Subject: Bat informatives (8/10/17 - 05/11/17)
Date: 09 November 2017 14:46:52

Hello,

I'm helping Elspeth and Rona with planning applications that come through to the conservation department as we look to streamline our process of looking at applications. Having looked through the current ones this morning we have some comments to add.

The following applications appear to involve work to or near roofs, so if they are approved, please can bat informatives be included with any permission:

NYM/2017/0759/FL Wolsingham, Beacon Way, Sneaton

Many thanks,

Katie Pownall
