October 2017

**Re: NYM\2016\0050\FL and NYM\2017\ENQ\13426**

Dear Development Management team,

I am writing in response to the letter from Christopher Knowles ref. NYM\2017\ENQ\13426 to regularise the development of the Dry Stone Wall Maze ref. NYM\2016\0050\FL.

Please see enclosed a copy of the notification of Commencement of Development as submitted after receiving the letter notifying us of granting planning permission. At the time, we were awaiting the alignment from Mark Ellis for the Maze.

Please see enclosed the map which shows the actual wall of the Maze will be build more than 30 meters from the Scheduled Monument 35158.

As mentioned on the planning portal, I am writing to apply for approval of the plan to build the maze as per the map enclosed, to meet condition 2 of the planning application.

In a previous telephone conversation with a member of your team, there was mention of applying on the planning portal for approval, however, the information online refers to applying for approval in writing – hence this letter. Can you please inform me of the next step to obtain this approval?

Many thanks.

Yours sincerely,

Petra Young  
Funding & Development Manager

## Notification of Commencement of Development

North York Moors National Park Authority is registered under the Data Protection Act 1998. The information contained in your notification will be used by the Authority for administration, evaluation and planning enforcement purposes. The information will be held confidentially and not passed to any other organisation.

Please complete the following:

Planning Application Reference Number(s): NYM/2016/0050/FL

Address of works: Acclerton, Dalby Forest, near Jingleby Tower

I confirm that development will begin on site on: 7/4/16

Name (Please Print): PETRA YOUNG

Contact Tel. No: 0300674305

Signed:  Date: 6/14/16

Submission of this notice will allow us to help you by monitoring your development effectively. Please return it at least two weeks before work begins on site to:

Mr Christopher Knowles, Planning Compliance Officer, North York Moors National Park Authority, The Old Vicarage, Bondgate, Helmsley, North Yorkshire, YO62 5BP

### Important Information - Discharge of Conditions Before Work Starts

There may be a number of conditions attached to your planning permission. Please read these carefully and note in particular those conditions which require the approval of the National Park Authority **before** your development begins on site. It is extremely important that these conditions are fully complied with as failure to do so may have the effect of invalidating your planning permission. The approval of a further application may then be necessary in order for you to proceed with the development.

Once the development has commenced the Authority's Planning Compliance Officer may inspect the site to ensure that the requirements of all conditions are fully met and that your approved plans are being precisely followed. In the event of any non-compliance the Authority may consider taking enforcement action to remedy the situation.

**Fees:** Under current planning legislation there is a fee payable for discharging conditions. If you have a number of conditions which require formal discharge and all the details are submitted together, the Authority would only charge once for the written confirmation. However, please be advised that should the details be sent in separately then a fee will be charged for each submission. The current fee schedule is available on the Authority's website.

Thank you for your co-operation
