Dear Mrs Saunders

On 27 February I received a letter notifying the Council that NYMNP are in receipt of amended/additional details for the above planning application. Your letter gives the Council 10 days to respond...meaning our comments should be returned by 6 March.

Our next PC meeting will be held on 19th March and as the Council are not permitted to discuss planning applications outside council, I write to request an extension until 22 March – allowing time for our comments to be submitted.

I look forward to hearing if this proposal is acceptable.

With kind regards

Sara Cussons
