Application for Erection of Manure Store at Church Farm, Kilburn - NYM/2017/0787/FL

At the meeting of Kilburn High and Low Parish Council on 15th January 2018 the above application was discussed.

The Council were concerned that insufficient detail and information concerning the application had been produced in order to make a considered judgement. The Council voted by a majority to object to the plans as they stand, and expressed a wish to see the applicant provide a topographical survey re. location, visual impact and sizing, along with the need for a full design and access statement and professionally detailed plans re. purpose and exact positioning in order for Council to submit further comments if appropriate.

Cllr J de Cogan
Vice-Chair
On behalf of Kilburn High and Low Parish Council
