Proposed New Dog Grooming Salon – Carrcroft, Suffield Hill, Scarborough

Dear Madam

We wish to record our whole-hearted support for the above planning application.

As we live in a rural setting with few amenities, we feel this can only have a positive contribution to the local area, similar to other cottage industries seen throughout the National Park.

To our knowledge there are no such facilities serving the local community, so feel sure this would be appreciated by neighbouring dog owning families.

We understand the proposed building is timber clad and of a similar size to the existing garage, this will be in keeping with other buildings in the area.

As the building is discreetly located we feel this will not have a negative visual impact to any parties, certainly not us.

Yours faithfully

L Johnson (Mrs)
