FAO Helen Webster

I have been consulted on the above application but wanted to contact the agent to try to resolve a query; his contact details have been redacted from the application on-line. I simply wanted to discuss the layout of the accommodation – there is no plan of the second floor detailing this.

Are you able to give me his details or can you request a plan of the second floor layout as proposed?

I am unable to comment on the application without this information.

Thanks
