Subject: NYM 17 840 FL Windmill Inn Stainsacre
Date: 20 December 2017 09:53:26

Hello Hilary,

The application form mentions 15 parking spaces.

In order to be able to assess whether adequate parking capacity is available for the existing pub and the proposed huts, can details be provided stating how much public floor area is in the pub and a plan showing where the 15 parking spaces are located.
