Dear Mr Saunders,

I wish to put forward my objections to the proposed development of land adjacent to the Hase & Hoar's public house & Beechfield estate at High Hawker.

I consider that the proposed development ~~itself~~ to be completely out of character with the nearby Beechfield estate & with High Hawker itself.

ie. A major commercial development in the centre of a quiet residential area, I feel that it is not in keeping with the rural character of the area and it will have a detrimental impact on the character and appearance of the village.

I am also concerned about the potential loss of any customer parking facilities that

these may be at the Horse & Hounds.

In the Summer months trade at the Horse & Hounds increases dramatically with the opening of seasonal caravan parks and influx of summer tourists. Any reduction of customer parking would inevitably result in vehicles parking on the main street. This is already a highly congested area even in winter, with cars & buses having to form queues to get passed parked vehicles.

yours sincerely.

( MRS NORMA THISTLE )
