Subject: Planning application

Dear Mrs. Saunders,

Ref: NYM/2017/0859/FL

I am writing to object about the construction of the 9 self contained letting bedrooms and breakfast units at the Hare and Hounds Public House High Hawsker.

For the following reasons:

1. We live at number 1 next door and our current view will be totally blocked.
2. Car parking currently overflows onto the main road B1447 outside our house on most days particularly during the summer months.
3. Traffic is bottle necked particularly buses lorries etc. from the pub onwards along the B1447 as this is a main bus route towards Robin Hoods Bay.
4. Extra cars parked on the site for these residents with only cause more traffic onto this narrow road B1447 and the entrance / exit from the Hare and Hounds is blind from current vehicles of people who live in the cottages along this road and do not have a drive.
5. We have lived here for 24 years and watched this village become very busy with traffic and the use of the Hare and Hounds so if they move the Quoits area any closer they may as well be in our garden!!!!

Thank you for considering this when making your decision on this planning.

Yours Faithfully,

Caroline Spencer
