Dear Sir/Madam,

Please find enclosed a cheque for £462 for a planning application to serve light refreshments to walkers of the Cleveland Way from our house at Hornblower Lodge, Whitby. This will be a small scale development and will be in line with the pre-application advice we received. We appreciate that the existing access is unsuitable for additional traffic and if necessary we can put a sign at the end of our lane stating that there is no access by vehicle to the tea-room. We will only be using a small section of the existing building in the development rather than adding additional buildings.

Yours Sincerely,

JOHN EVANS
