Dear Mrs Teesdale

Application in respect of construction of single storey real extension (part retrospective) (Revised scheme to NYM/2017/0338/FL) at School House Farm, Main Road, Aislaby

Following receipt of the letter dated 7th March 2018 regarding the above application I am writing to express my support for the revised design and alterations to the real extension.

I have known the applicant for many years and I am also very aware of his poor health and need for a ground floor wet room and bedroom. To provide this facility a hoist will be necessary and this dictates the heights of the extension and roof line. Because the extension at the real is largely unseen it will not have a detrimental impact on neighbours or the street.

The use of traditional materials will also ensure that the extension matches the existing and adjacent buildings.

Therefore for both of these reasons I fully support both of these applications

Yours sincerely

Debbie Harrison
