Dear Madam,

This is a supporting letter with regards to 'construction of a single storey rear extension at School House Farm, Aislaby.

I have been and looked at the property, and think Mr. Wilson has done a marvellous job matching the stone work, roof and windows in with the existing building. I have looked at your proposed plans and can't understand why you want to change a slate roof for onduline sheets.!!!!!!

I have also noted that the extension is not visible from any direction, and any neighbours within the vicinity have not objected.

Mr Wilsons failing health is the main priority and this matter is unjustified.

Don't you think Public Money could be better spent elsewhere by the National Park.

Yours.

Mr. P. Dowson.
