**Date:** 25 April 2018 20:54:23

---

I would like to object to this application as it appears the applicant has lied stating that people and businesses were in favour when they were clearly not it also appears that they have used the use of a temporary hut over 60 years ago that was nothing to do with him as the basis for his application. The area is lovely as and will stop people buying products from the village high street. I love coming to buy but this will add nothing to my enjoyment of this stunning coast line
