I oppose this application as there is several coffee/tea shops in robin hoods bay. The businesses there are all local people. The fact the alleged new propertier is also planning to sell crepes is completely taking over 'the coffee shacks' elite marketing idea after changing there menu from paninis/sandwiches 2 years ago to adjust to a different market. The owner of this new 'tea/coffee shack' as been very misleading.. telling locals it was only tea/coffee.. now it's a 13sq meter establishment. Selling crepes with a metre wall etc. Opposed.
