NYM/2018/0177/FL Application for erection of timber tea hut serving hot and cold refreshments and construction of 1 metre high gabion basket retaining wall at land in front of Beacholme on Quaterdeck, Covet hill, Robin Hood's Bay.

The Parish Council after much deliberation and contributions from the public came to a split vote over this application, some in favour and others not in favour. Concerns were raised over size, stability of the cliff, the smell from cooking, the rubbish that accumulate especially that going into the sea an servicing the tea hut.

Virginia Ramsey.
