Your Council or Meeting was recently consulted on the above and I noted in my consultation letter that I would let you know if the matter was to be considered by the Planning Committee. The application has been placed on the agenda for the next Planning Committee Meeting which will take place on Thursday **23 July 2015** at **10.00am** in the Committee Room at The Old Vicarage, Helmsley. You will be able to read the Officer's report and full agenda five working days before the Meeting either at the National Park Offices in Helmsley or via our website (www.northyorkmoors.org.uk) using the following link:

Alternatively you may decide to submit further written comments that can be brought to the attention of the Planning Committee. If you have any questions concerning the above Committee procedure or need to identify any special arrangements you may require to provide a fair hearing, please do not hesitate to contact either a member of our Development Management Administration Team or the Planning Officer named above who is dealing with this matter. Please also note that the Planning Committee deals with other aspects of planning in addition to determining planning applications and the agenda may include planning policy reports and other planning related matters in advance of the planning application list. Unfortunately due to the shortage of space at these offices parking is not available, except for disabled persons who will be allocated a parking space if requested in advance of the Meeting.

Yours faithfully

Mark Hill
