OHL OYEMP

Applicant's reference: KP/9815081/6
To the Chief Executive North York Moors Park Authority

PART 1

Date: 8th May 2007.

Dear Sir

Electricity Act 1989

Application is being made to the Secretary of State for the Department of Trade and Industry for his consent to the development described overleaf. The Secretary of State will at the same time be requested to direct that planning permission for this development shall be deemed to be granted. The consent and the direction may be given subject to conditions.

To assist the Secretary of State to determine the application **The District / Borough Council is requested to return to me two copies of this Form with Part 1 Certificate and Part 11 completed and signed together with one certified plan.**

Department of the Environment Circular 14/90 (Welsh Office Circular 20/90) (Department of Energy Circular 1/90) describes this procedure and the reason for it.

Yours faithfully

NYM/PA
22 JUN 2007

For and on behalf of the applicant.

CERTIFICATE

The (To be completed by or on behalf of the District / Borough Council)
District / Borough Council

- (i) *object on the grounds set out below
have no objection to make to the development described overleaf.
- (ii) *request
do not request that a public inquiry be held pursuant to paragraph 2 of Schedule 8 to the Electricity Act 1989 before the Secretary of State reaches his decision on the application.

Designation

On behalf of the
(Reasons for objections)

District / Borough Council

NYM/2007 / 0563 / QH

PARTICULARS OF PROPOSED DEVELOPMENT AND REPRESENTATIONS

(To be completed by the applicant)

Application is being made

- (a) for consent under section 37 of the Electricity Act 1989 to install or keep installed an electric line above ground.
- (b) for a direction under SECTION 90(2) OF THE TOWN & COUNTRY PLANNING ACT 1990 that planning permission for the proposed development be deemed to be granted.

1. Particulars of proposed development. (These particulars should be accompanied by such plans as may be necessary to enable the local planning authority to identify the land affected by the proposals and to appreciate the nature and extent of the proposed development and by a copy of the environmental statement if the applicant has prepared one.)

In order to improve the electricity supplies under the Sleights scheme in the UGGLEBARNBY and Little Beck area it will be necessary for Bethell Power Services Ltd on behalf of NEDL to rebuild the existing overhead powerlines and replace associated equipment which has reached the end of its service life.

The lines will be rebuilt in the existing locations with aerial bunched conductor (ABC) and the sections to be replaced totaling 730 metres are shown in red on plan 9815081/6 whilst the section to be dismantled is shown in blue.

2. Particulars of any representations or objections which have been made to the applicant.

3. Particulars of the applicant's compliance with his duty under paragraph 1 of Schedule 9 to the Electricity Act 1989.

It is not considered that the electric line will have any impact upon the surrounding landscape due to the line being a direct replacement for the existing line.

Date: 11-6-07 20

For and on behalf of the applicant.

Note: This Part to be completed, dated and signed before submitting to the local planning authority

Signed 
Designation

4. Does the proposed development involve the demolition, alteration or extension of a building of special architectural or historic interest included in a list compiled or approved under section 1 of the Planning (Listed Buildings and Conservation Areas) Act 1990?

5. Do the local planning authority agree that the proposed development should be approved by the Secretary of State for the Department of Trade and Industry as described? (If the answer is no, please answer question 6.)

6. Would the local planning authority be prepared to agree that the proposed development should be approved subject to modifications or conditions? (If so, specify the modifications or conditions proposed and state whether they are acceptable to the applicant.) (Note: the precise form of any modifications or conditions subject to which the consent or direction given is a matter for the Secretary of State, but he will have regard to the form of words used by the local planning authority.)

7. Does the local planning authority consider that the application should be accompanied by an environmental statement in accordance with the Electricity Works (Environmental Impact Assessment (England and Wales) Regulations 2000? (If so, please specify the particular points arising from the application which have caused the local planning authority to take this view.)

Signed

(Designation)

On behalf of the Council
(Local planning authority for the area in which the proposed development is to be carried out)

Two completed copies of this Form, both signed, together with a certified plan, should be returned to the applicant for submission by him to the Department of Trade and Industry.

PART II – INFORMATION AND OBSERVATIONS

(To be completed by the District / Borough Council)

Planning Reference No.

1. Names of interested parties consulted about the proposals with details of any observations received.

2. Particulars of any representation, which have been made to the local planning authority objecting to the proposals.

NY 197 / 2007 / 1
22 JUN 2007

3. Have any general or specific restrictions been imposed by any authority on development of the land affected by the proposed development.
