Dear Mrs Walker,

Re: Planning Application in the Matter of Burnclose, Brig Garth, RHB.

I write following advice from your colleague, Hilary, to request a variation to my recently submitted planning application. I have had a gas supply survey completed by United Utilities who have established that the route for the gas supply pipe will have to be from New Road. The details are as follows:

The supply pipe will be in 43 mm (1 $\frac{3}{4}$ ") low carbon steel (mild steel). The pipe will not be painted or otherwise coated.

The pipe will be fixed to the north elevation wall as shown in the attached drawing.

I have enclosed four copies of the revised drawing and I hope this provides enough detail for the matter to be considered. However, please do let me know if you required further information.

Yours Sincerely

Robbie Walker-Brown
