12. Planning Application Requirements - Checklist

Please read the following checklist to make sure you have sent all the information in support of your proposal. Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the Local Planning Authority has been submitted.

3 copies of a completed and dated application form:

Drawings

The drawing of the proposed advertisement should show its dimensions and position on the land or building in question. For a sign, the drawing should indicate the materials to be used, fixings, colours, height above the ground and, where it would project from a building, the extent of the projection. A site location plan should also be provided which identifies the proposed position of the advertisement and location of the site by reference to at least two named roads. It should be drawn to an identified scale and show the direction of North. Ordnance Survey maps are not required. Photographs and photomontages may be used. 3 copies of each drawing should be provided:

Description of signs, size and illumination

The type of each sign for which application is being made, e.g. fascia, projecting box, pole-mounted free-standing, should be shown, together with the dimensions of each sign. If any of the signs are to be illuminated please describe the type of illumination, e.g. internal, external, floodlight, etc, and whether the illumination will be static, flashing, or have moving parts. 3 copies of each description should be provided:

3 copies of a plan which identifies the land to which the application relates drawn to an identified scale and showing the direction of north:

3 copies of other plans and drawings or information necessary to describe the subject of the application:

The correct fee:

Owner's consent:

It is a condition of every consent granted by or under the Regulations that, before displaying any advertisement, the permission of the owner of the land or other person entitled to grant permission must be obtained. To display any advertisement without this permission is an offence, open to immediate prosecution.

Where the site is within the boundaries of a highway, evidence that the application is acceptable to the highway authority must be provided.

DALBY FOREST ADVERTISEMENT CONSENT

SUPPORTING STATEMENT

This retrospective planning application is in support of the signage erected at Dalby Forest.

- The gallows signage is identical to existing ones used by the Forestry Commission.
- The materials used in their construction are in keeping with the character of the area.
- The signs serve to improve both traffic and pedestrian flows reducing inconvenience and delay to Go Ape customers and other forest users alike.
