Dear Mrs Oddy

## Construction of a Disabled Access Ramp and Covered Entrance Canopy over Extended Outdoor Play Area at Egton Play Group, Station Buildings, Egton Bridge

I refer to the application you have recently submitted in respect of the above and following my site visit on Monday, I write to request some additional information.

Whilst it is clear from the attached plan the extent of the area to be extended and covered over, it is unclear how far the disabled access ramp will extend across the frontage of the building (i.e. whether it falls short of the entrance door and steps or whether it is proposed to alter the steps).

I would be grateful if you could provide the above information with a photograph or a plan at your earliest convenience in order that I can process the application.

Should you wish to discuss then please do not hesitate to contact me at the above address.

Yours sincerely

[Redacted signature]

Mrs Cheryl Ward  
Planning Officer

**AMENDED**  
Notes

The access ramp will finish at the side of the steps.

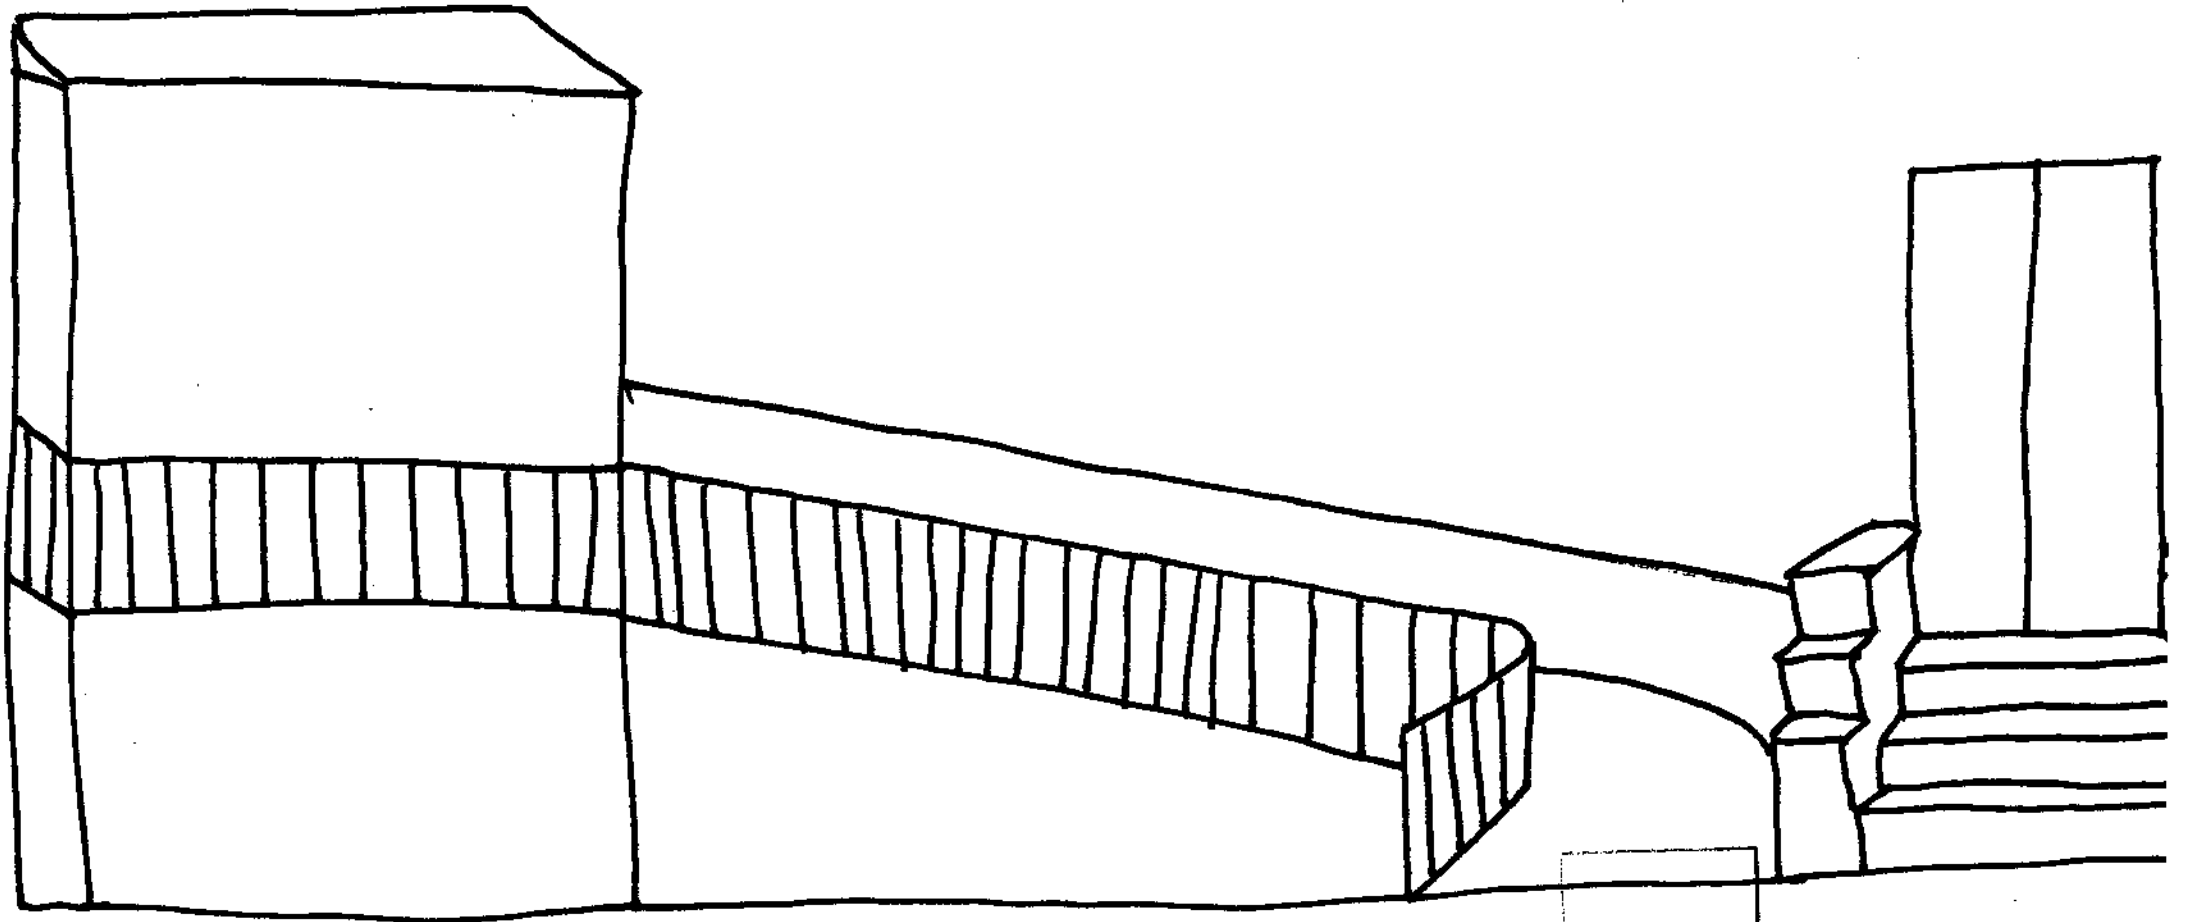

This was approved by Jan King and Aileen Capland when they came to visit us on November 11<sup>th</sup>.
