Re: Field shelter & storage Building at the rear of Tamarind, Church Lane,
Fylingthorpe, Ref: NYM/2009/0743/NM

In writing to refer to the recently submitted application for non material amendments to the consent for the above building.

On reflection, and in my haste, it may appear that I may have inadvertently given the impression that the future use of part of the building for stabling use in conjunction with the adjacent paddock was not required.

This is certainly not the case and I am therefore confirming that it is still the intention of Mr Vasey to retain this stabling use for the building.

I trust that this makes the situation clear but if need anything further then please do not hesitate to contact me.

Yours sincerely,

Mike McCabe
