Dear Sir/Madam

I was asked to look at this development referred to on this planning application, having been a close neighbour. Having seen it I would like to support the works as it is in keeping with a holiday cottage letting business and is an improvement in that area at the back of Beech Hill.

The gazebo is insignificant on such a large site, but will provide a wonderful viewing area for the guests to take in the views of the Esk valley (that is why they come).

Yours Frank Hall

Your Name:: Craig Hall

Are you supporting the proposal?: Yes

Your comments on The Proposal:: Richard and Mary invited me to view the works, referred to above. As a close neighbour to the Horncastles, I would like to support the works done and vast improvements to what was a backwater redundant area, in particular the work done in the area between the front of Coach House and the rear of Beech Hill.

Frankly the gazebo is insignificant on a site such as this but will provide a wonderful viewing deck for visitors to the area who are giving us all a much needed boost in jobs and investment.
