Dear Madam

Re: Conversion of Beacon Windmill, Ravenscar

Further to our telephone conversation this morning regarding the Listed Building Planning Application we submitted to you recently, I confirm the "Description of Proposed Works" should read:

"Proposed conversion of derelict Windmill and Granary Barn into a single dwelling holiday home. Construction of simple glazed link structure and demolition of lean-to that has fallen into disrepair."

We trust this now clarifies the proposed work but should have any further queries, please contact our office.

Yours faithfully
p.p. Francis Johnson & Partners
