The largest conservation rooflight size range available.

Our standard Conservation Rooflights® are finished in black (RAL9005) with our standard glazing specification of K glass, 4mm toughened inner, 4mm toughened outer and 16mm argon filled gap achieving an average installed U-value of 1.35W/m²K.

A range of colours and glazing options are available. Please contact Customer Services on 44 1993 833 108

or email info@therooflightcompany.co.uk for full price and lead time details and to discuss your requirements.

Please note all prices shown exclude VAT, Ironmongery and delivery.

For a delivery estimate, please contact our pre-sales team on 01993 833108
