Dear Mrs Saunders,

**NYM/2010/0176/FL**

**Construction of single storey contemporary side extension and part single part two storey rear contemporary extension together with insertion of 6 dormer windows and raised front terrace**

**Moorgate Lees Farm Hawsker

I am writing to express my support for this application.  
I think that the application would enable the property to be used as a family home but would not harm the appearance of the Park.

Yours sincerely

Mr Robin Philpot

I write to express my support for the application at Reference in relation to the subject property.

I consider that the proposals contained within the application are sensitive and well thought through solutions to the problems of extending an old building in order to make it a suitable habitation for modern living.
