

Design and Access Statement

I am making an application to install a gas ~~of~~ service pipe which will supply gas to number 2 Wapley cottage, Robin Hoods Bay, NORTH YORKSHIRE

This pipe will be installed by the United Utilities, it will be of their specified design no wider than 25mm in diameter. It will be painted black to match existing service pipes and soil pipes currently situated on the front of Pirrose cottage and Wapley cottage

The gas engineers have visited the property & undertaken a survey of the site and this application meets their safety regulations

The pipe will enter Wapley cottage just to the left of the living room window at the

NYM / 2010 / 0185 / LB

closest point to the join
where PIMUSE / WALLEY and
the existing chip shop meet.

The pipe will be connected
to a gas meter which is
to be installed in an
existing cupboard in the
lounge.

The length of the pipe
from ground to the point at
which it enters the property
is APPROX
