

J Ward.  
The Old Stubble  
Staithe

Dear Madam,

the restrictions on letting the H Holiday wicks at Trig Point Staithe were governed by strict guidelines determined by policy H 4 (unsuitable area) and T M 1 (limiting service requirements). To grant permission for this application (i.e. for more than 28 days) would be contradictory N.Y.M.N.P. policy and should therefore be refused.
