Subject: App for variation of Cond. 1 of Approval NYM/2004/0069/FL at Trigg Point, 49 Staithes Lane, Staithes

Thank you for your letter and supporting documentation dated 13th May 2010. This matter was considered by councillors at their meeting on 3rd June 2010 and they have asked me to advise that they SUPPORT the application, in principle.

They would recommend, however, a Variation to the Planning Condition to allow lettings for up to 56 days. Councillors are absolutely opposed to removing the restriction altogether as they do not want to allow a situation where the units could then be used as residential dwellings.

I look forward to hearing from you in this regard.

Yours sincerely

Penny Fenton
Clerk to the Council
