New plan/drawing number(s):

Please state why you wish to make this amendment:

- ① 2 rooflights on south facing aspect of extension roof as not enough space on north side of roof due to height of valley
- ② Allow light into corridor as no natural light
- ③ Change to doors to allow steel ridge to support roof
- ④ Change window size due to height of extension roof valley
- ⑤ Partially obscurely glazed - allow more light into room if top part of window clear glass + we don't think this would compromise privacy for either us or neighbour.
