Re Hollins Lodge Guernsey.

I would like to object against these plans as the road leading to this property is a private road & "making the house bigger would mean more B & B's & more traffic, delivery vans which is affecting the road (who will repair it)"

Also garage now a bed area with decking round it, no plans for decking why is it still there?

I don't think that this property should be made into a hotel/guest house it should be a private house in a quiet part of the village like it used to be.

Don't
