15. Existing Use	
Please desdribe the current use of the site:	
Carayan Site	-1
Is the site currently vacant? Yes W No	
If Yes, please describe the last use of the site:	
When did this use end (if known) (DD/MM/YYYY)?	······································
Does the proposal involve any of the following:	
Land which is known to be contaminated? C Yes No NYM / 2010 / 0 5 0 6 / F 1	
Land where contamination is suspected for all or part of the site? (Yes (No	
A proposed use that would be particularly vulnerable to the presence of contamination? (Yes No	
Application advice If you have said Yes to any of the above, you will need to submit an appropriate contamination assessment.	
16. Trees and Hedges	
Are there trees or hedges on the proposed development site? (Yes (No N/A tothis application	
And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? Yes C No	
If Yes to either or both of the above, you will need to provide a full Tree Survey with accompanying plan before your application can be determined. Your Local Planning Authority should make clear on its website what the survey should contain, in accordance with the curr	rent
determined. Your Local Planning Authority should make clear on its website what the survey should contain, in accordance with the curt 'BS5837: Trees in relation to construction - Recommendations'	
Trade Effluent	
poes the proposal involve the need to dispose of trade effluents or waste? Yes Yes	
If Yes, please describe the nature, volume and means of disposal of trade effluents or waste:	 -}
18. Residential Units Does your proposal include the gain or loss of residential units? (Yes No NYMNYA)
