THE WASHINGS

GUIDANCE NOTES

Application for NON-MATERIAL AMENDMENT following a grant of planning permission

These notes have been written to help you with the submission of your planning application.

Application Forms

Please submit 4 copies ensuring that all parts of the form are completed and the form is signed and dated unless submitted electronically.

Application fee

Please call our Development Control Administration Team for assistance.

Amended site layout plans

This is to allow neighbours to view the plans at a larger scale, identifying the position of buildings within the site in relation to their own properties. It can be difficult to assess the potential implications that the proposal might have at a smaller scale. The plan should be to a scale of 1:100, 1:200 or 1:500, showing the site in relation to existing buildings and site boundaries. It should indicate where existing features of the site are located including existing buildings (indicating proposed demolitions), trees (identifying any proposed felling), means of access and type of enclosure (wall, fence, hedges) and shall show adjacent properties/buildings

Other drawings relevant to the application

Detailed drawings must be submitted to a scale of 1:100 or larger showing elevations, sections, floor plans and layouts of the proposed works together with existing and proposed ground levels and floor levels. Drawings shall include both existing and proposed details. It is a legal requirement that all measurements must be in metric and not imperial. Any drawing submitted using solely imperial measurements will not be accepted and will be returned for metric conversion.

Important Information

The plans submitted as part of any application considered by the Planning Committee will be scanned/photographed and possibly used in a slide presentation of the scheme. It is essential, therefore, that the plans are sufficiently clear so that the details of the proposal can be easily seen when projected onto the screen.

If the plans are not clear resulting from, for example, discoloured paper or particularly fine line drawings it may be difficult for Members of the Committee to appreciate fully the details of the scheme which could result in a delay in the determination of an application if Members consider it appropriate to seek further clarification of aspects of the development proposed. Please try to ensure that submitted plans are clear and that they meet the requirements set out in this Guidance Note.

TO THE THE PARTY OF THE PARTY O

VALIDATION CHECKLIST

Application for NON-MATERIAL AMENDMENT following a grant of planning permission

Please complete the attached checklist to indicate what you have included with your application. All plans should include paper size, key dimensions and scale.
