Details of the pre-application advice received:

Mr Robinson met with Mrs Teasdale and discussed a number of issues:

Installation of lodges instead of statics as previously approved. It was agreed that timber lodges are preferred and this would be considered as a variation.

Amendment to the location of the lodges.

The requirement for further development on park for tourers, motorhomes and camping pods within the woodland. Mr Robinson would like to increase the park accommodation to 600.

Mr Robinson said the NYP prefers timber lodge accommodation as opposed to static caravans as lodges are more in keeping with the park/woodland.
