

**Supporting Agricultural Information**

Applicants are encouraged to complete the tables below as this will enable us to speed up the processing of the notification. The purpose of this form is to provide basic information on the farm system to help assess the need and appropriateness of agricultural buildings within the National Park.

LIVESTOCK NUMBERS	Average number throughout The year	Notes
Dairy Cows	N/A	
Suckler cows/heifers over 24 months	N/A	
Followers (6-24 months)	N/A	
Breeding Ewes/tups	N/A	
Hoggs	N/A	
Other Livestock (ie horses)	N/A	

LAND	Area (Hectares)	Notes
Size of holding	970 Hectares	
Available grazing land		
Arable land		
Moorland	N/A	
Grazing land on short term tenancy		

The above will help us determine the stocking density on the farm.

ANY OTHER RELEVANT INFORMATION

The proposed development is designed to consolidate all the grain drying onto one farm - Bedale Grange. The grain stores at Danells Low Farm (3 miles) and Carr Farm (2 miles) will be let to existing tenant farmers.

The existing grain dryers do not have sufficient capacity and storage is spread over the farm and therefore costly to manage.
