Dear Sir / Madam,

We have been operating the hot food take-away on Middlewood Farm Holiday Park for the last four and a half years and would like to re-apply for the renewal of the license to carry on operating from that site. We would also like to alter the current conditions which at the moment restrict our days and hours of service, in order to fulfil our customers needs. As the only complaints we receive are that we are not always there to supply their demands.

The success of the village is most important to us, we carry information on the entertainment and menu's for the three local hotels, business cards and information on the local taxi service and we also carry timetables for the local bus service. I took the presentation photographs for the village onion club and also at the Court Leet. My wife also works part time in the local village store (Fylingdales Stores). I am the village correspondent for the local newspaper The Whitby Gazette. Should you require any further information, please do not hesitate to get in touch.

Yours Sincerely

Ian Hudson.
