Dear Sirs

Re: - Proposed Agricultural Building – Broxa Farms, Broxa, Hackness.

I am attaching copies of the proposed building at the above site together with location plans and planning notification forms. A cheque for the relevant planning fee of £70.00 also attached.

The building is to cover the silage clamp and manure storage area as part of the current catchment sensitive farming project DEFRA scheme to reduce run off and ground water pollution in this area of the county – River Derwent catchment.

I trust all of the details on the plans and forms are clear. Should there be any queries please do not hesitate to contact me. My mobile number is 0783167448.

Yours sincerely
